Any untoward incident will jeopardize this relationship and have serious repercussions for placements and for the future.

NMIMS being a University of higher learning, the corporate world expects students to display high standards of knowledge, capability and excellence. Recruiters also look for serious candidates who are clear about their long term plans, the sector they want to be and profile they want to undertake.

Placement assistance is offered to students of various programs across Schools & Campuses. It is the prerogative of the Schools & Campuses to decide, which of the programs this service should be offered.

Placement is driven by students, the Placement Office facilitates the process of placements – internship & recruitment by creating an interface between recruiters and students. Efforts are made to market the programs with their merits with an endeavour to get companies to offer internships/recruit students. The selection process specified by the company is followed. The PlaceCom - Placement Committee of students are actively involved in the placement activities – contacting/visiting companies located in metros & major cities for placement presentations and also coordinate various activities during the placement processes.

The Placement Office devises placement guidelines that are in the larger interest of the School and students, in consultation with students and faculty.

Students are expected to maintain decorum and abide by the guidelines during placement processes. In the event of non-conformance to the placement guidelines, the School reserves the right to initiate corrective action.

The Placement process typically involves –

- Batch Preparation
- Pre Placement Talks
- Internships/projects
- Final Placements

### 9.1 Batch Preparation:

- 9.1.1 The Comprehensive Batch Preparation Program is to enhance the suitability of candidates and orient them to industry practices and expectations.

- 9.1.1.1 Interactive sessions with alumni/industry experts in various profiles that help students to gain clarity on role/fit, understanding expectations of the company, future prospects - career evolution, right approach for cracking interviews, listen to first-hand experience & get a feel of life in a particular profile etc.
- 9.1.1.2 Interaction with seniors who have undergone internships in companies.
- 9.1.1.3 Assigning seniors or alumni as mentors to guide students.
- 9.1.1.4 Mock interviews with alumni/corporates to get a direct feedback from people in relevant industries.
- 9.1.1.5 Guest talks and workshops on various topics from corporates.
- 9.1.1.6 Resume building as per guidelines
- 9.1.1.7 Soft skills training etc.
- 9.1.2 Prior to the commencement of the selection process it is expected that students should be having a fair idea about their interest, sector, and specialisation or at least have some long term vision of where they want to be and should direct their efforts accordingly. A bit of clarity will help students land a good internship/job.
- 9.1.3 Hence students should do a thorough research about the company, the business, the sector, other players in the sector, the financials, etc. and be prepared with a background and fact file prior to the process. Also some additional information – the number of interns/recruits in the past, whether the company has a PPO policy, the roles offered, the experience of seniors who interned with the company etc. will be of help.
- 9.1.4 The Placement Office also involves companies in a number of Campus Engagement activities – contests, projects, workshops, seminars, guest talks etc. that would benefit a larger number of students and also help in promoting the excellent quality of the batch.
- 9.1.5 Based on the guidelines, students will have to prepare their resume that would encapsulate info about academics, work experience, internship, co-curricular activities, extracurricular activities, projects, awards, achievements, hobbies etc.
- 9.2 **Pre Placement Talk – PPT**  
PPT's are a medium wherein the company officials disseminate information regarding the company, the profile, the compensation etc. and clarify the queries of students. The company officials invest time and effort to disseminate info and the interactive session will make them feel visiting our campus was worth it. Hence students are requested to participate and ask relevant questions.
- 9.3 **Internships/Projects**
- 9.3.1 The Placement Office makes all efforts to reach out for internships across varied sectors, companies and profiles. Based on one's interests and capabilities one should seek internships. Choosing the correct company for internships and performing up to the mark is of utmost importance.
- 9.3.2 The Internships are not only a window to the corporate world but also a relationship building tool for NMIMS. It allows the companies to have a look at the talent at NMIMS, thereby strengthening Final Placements.
- 9.3.3 Internships are an integral part of the curriculum for securing the degree. It is a great learning platform for our students and goes a long way in shaping the learning obtained in the class room. This experience is of immense use to students to enable them to acclimatize themselves to the intricacies of the corporate world.

- 9.3.4 The project is expected to build on the theoretical learning with practical experience and help students to identify the gaps in their learning which they can attempt to fill in. They could also discover areas of interest and future career options.
- 9.3.5 Interactions during the internships both with other interns as well as employees help students to understand the expectations/needs of the organisation, the sector in general, to identify the gaps in their learning and in orienting oneself towards the sector and developing the required skill sets to emerge as the most suitable candidate.
- 9.3.6 Internships also hold a special significance as it is an apt mechanism for companies to spot bright talent early. Many companies have structured internship process which is used as a 'testing ground' to gain a direct understanding of the skill and ability of students leading to declaration of PPO's/PPI's. NMIMS too encourages candidates to work towards such offers that are based on internship performance.
- 9.3.7 Pre Placement Offer (PPO) is an Offer by the company to the intern acknowledging the excellent work done during the internship. Pre Placement Interview (PPI) is an opportunity by the company for the intern to be directly selected for the interview for final placements. Thus, the students should be careful in applying to the companies of their choice and should put in all efforts to convert the internship into an Offer. Thus, the seriousness of this cannot be overstated.
- 9.3.8 While feedback from the company is sought, the internship is also evaluated by School that could involve faculty guide monitoring the performance; periodic report submissions, evaluations, Viva Voce etc.

#### 9.4 **Final Placements**

- 9.4.1 Leading companies across sectors aspire to recruit students of NMIMS. Each company has its own set of characteristics or qualities that they look for in a candidate. Hence, the company devises the eligibility criteria and selection process accordingly.
- 9.4.2 The process of selection starts with inviting applications based on the eligibility, profile, project, stipend/compensation details shared by the company. The applications of applicants are then sent to companies. Students are required to check their emails/Placement Portal/Student Portal, etc. regularly for information updates.
- 9.4.3 Every effort will be made to facilitate the placement process. However, it is the effort of the student that gets him/her selected for the job. Not getting selected for internships or during final placements in the first few companies should not lead to panic. Students are advised not to switch profiles in anxiety or haste.
- 9.4.4 Companies could have one or multiple rounds for selection – case analysis, group discussion, group exercises, interviews etc. Reasons like location, family issues etc. should not be constraints to students. They are expected to be mobile and have the capability to adjust and adapt and respond to emergent situations successfully.
- 9.4.5 Students who wish to drop out of the placement process are expected to formally notify the Placement Office vide the 'Opted Out Form' mentioning the reason, which could be higher studies, entrepreneurship, family business, seeking placements on their own giving with the names of such companies and details. The reason being, to iron out any hitches that may crop up later as the Placement Office approaches many companies and would like to continue the cordial relationship with them.  
Each of the Schools will be sharing to the batch, guidelines related to Resume, PPT, Internships, PPO's/PPI's, Final Placements, etc. and it is expected that students follow the same. The School reserves the right to change, modify the guidelines in the best interest of the batch. Students are free to approach the Placement Office for any queries or guidance.

## **11 Feedback Mechanism:**

- 11.1 NMIMS has a well-established online feedback mechanism through Student Portal for communication of perceptions. The components of this feedback mechanism are:
  - 11.1.1 Feedback at the end of the third week of every trimester/Semester. Dean / Director /Programme Chairperson/HOD will meet students personally, if applicable.
  - 11.1.2 Online Feedback through Students Portal is taken using a questionnaire preferably in the last session of every course in each trimester/Semester. This feedback is compiled and statistics are placed before each faculty member by the end of the trimester/Semester.
- 11.2 All students should get involved in this mechanism seriously as it truly helps the NMIMS improve the quality of

services and teaching provided.

- 11.3 These are open ended questions in which student can reflect learning and teaching aspects of the course.
- 11.4 NMIMS uses feedback to improve the teaching learning process proactively.
- 11.5 While sharing the feedback to the faculty members, student's identity is kept confidential.

## **12 Mentoring Programme / 'Psychologist and a Counsellor':**

### **12.1 Mentoring Programme:**

Students (as applicable school wise) have been assigned faculty mentors whose role is to help assimilate the NMIMS culture, facilitate intelligent choice making regarding selection of courses and help in identification of resources needed by all students. Do meet your faculty mentor regularly as per their convenience and availability.

### **12.2 Psychologist and a Counsellor:**

A counsellor is a non-judgmental friend who understands, ensures privacy and confidentiality and counsels you by giving choices so that you make the right decision. Counselling is based on realistic, structured and research based therapies.

Managing emotions is important to ensure all rounded progress in life. To learn something new, we need to break the old walls of myths and misconceptions. Visiting a counsellor helps us to relearn some more helpful, progressive, reality based thinking. Personal counselling is very important at every step in life even at the corporate level. What we think about situations affects our subconscious mind deeply which interferes with our present life and hinders our ability to lead a healthy life.

As normal human beings at any given time in life we could go through challenging times and have no one to share or guide us. We often do not share our issues with family or friends due to the fear of upsetting them. We worry that perhaps they may not understand or could become judgmental. At such times we recommend Personal Counselling.

- i. "I cannot concentrate or focus nor can I sleep, at times I get so scared that I go blank in my exams!"
- ii. "Since the time he left me I cannot put my attention to anything I will not be able to live anymore..... can't bear it if she is not in my life!"
- iii. "I have lost my confidence I feel worthless /hopeless; no one loves me. I don't want to live anymore"
- iv. Nobody understands what I am going through....people become judgemental instead of understanding and supporting.. Whom to share it with?
- v. Where do I seek help? Who will be able to really help?

Have you had any of these repetitive thoughts or are you facing a rejection that you are not able to cope up with? Have you reacted very angrily first and then later realised that reacting to the event was not really needed and in the process you harmed the relations you had with your friends and family? You just do not know what went wrong then? Do not understand what triggered you?

Just as we would treat a sprain with some ointment, we try to heal our emotional pain on our own. At times when the sprain is not healing we visit the doctor and similarly one visits the counsellor sometimes when we are unable to clear our own emotional challenges. The counsellor needs to check how deep your wound is and usually you are helped by putting a plaster of protection (counselling). Sometimes the wound may have been too deep /chronic or your bone is broken it could also need psychiatric intervention and give appropriate help.

We may be unaware of the implications of our behaviour on others but it eventually could affect our relations in daily life at home, in class, or at work. When the past emotional situations are not dealt with therapeutically, we could develop unhealthy negative thoughts and feelings which we need to be aware of as they could again lead to complications and could affect our performance, decision making, logical thinking, studies, relationships, and career. This form of continued stress can gradually affect our body and physiological health causing hypertension, respiratory ailments, gastrointestinal disturbances, migraine and tension headaches, pelvic pain, impotence, frigidity, dermatitis, and ulcers.

The biggest myth is to believe that to be emotional is to be weak so often we push all our emotional issues under the blanket and then to avoid sleepless nights take up unhealthy habits like smoking, drinking, and substance abuse. We do this hoping to feel better which lasts only for short term on the other hand creating long term damage and may lead to unhealthy dependency.

NMIMS wants to ensure holistic development of the students and therefore have appointed a team of psychologists and a counsellor.

#### 13.2 Payment of fees:

- 13.2.1 The promoted students for the subsequent years are required to pay the fees as per the email received from Accounts department. Late fee will be levied if fee is not paid within the due date.
- 13.2.2 Non-payment of fees within the stipulated time including the late fee period will attract cancellation of the studentship from that program.
- 13.2.3 **Payment of Fees for the academic break:** If the student has informed the Dean regarding academic break before the commencement of the relevant year and not paid the total fee for that year, then once the academic break is granted, student can pay the total fee (100%) prevalent at that time when he / she seeks re-admission.
- 13.2.4 If a student wants to take academic break after the commencement of the academic year, but he / she has

not attended the classes and if the fee is not paid, then while seeking re-admission he/she has to pay the total fee (100%) plus 25% of the total fee as re-admission fee to continue his studentship.

- 13.2.5 If the student has paid the total fee for the entire year and then sought the academic break after commencement of that academic year in the middle of semester / trimester, then he/she has to pay 25% of the total fee prevalent at that time, towards re-admission in subsequent year.

Academic break	Fees to be paid at the time of admission after the academic break
<ul style="list-style-type: none"> <li>Informed before the commencement of the academic year.</li> </ul>	100% total fee prevalent.
<ul style="list-style-type: none"> <li>Informed after commencement, not attended classes and fees not paid.</li> </ul>	100% total fee + 25% readmission (prevalent).
<ul style="list-style-type: none"> <li>Informed during the semester / trimester fees not paid for current year.</li> </ul>	100% total fee + 25% readmission (prevalent).
<ul style="list-style-type: none"> <li>Informed during the academic year and fees paid for that year.</li> </ul>	25% of total fees as readmission fee prevalent that year.

### 13.3 Re-admission rules:

A student can seek re-admission in next academic year, in case he / she fails to fulfill the criteria mentioned under passing standards in SRB. For this purpose, he / she has to pay 25% of the total fee prevalent at that time for that programme.

Student can take re-admission in the said year of the programme only once. He/she can take re-admission in different years as long as total period of the programme does not exceed the validity period of that programme. For example, for MBA the validity period is 4 years and for MBA Tech. it is 7 years, so a student can take re-admission maximum two times but in different progressive years of the program. Admission to the subsequent years is subject to maximum duration permissible for completion of the programme (in years). Such admissions will be at the students' own risk of non-completion of the programme during the maximum permissible duration (in years).

1	2 years	4 years
2	3 years	5 years
3	4 years	6 years
4	5 years	7 years
5	6 years	8 years

If a student takes re-admission in a particular academic year and is not promoted again, either as per the passing standards of respective programme or any other reason as per academic rules, then the student will not be given second chance for re-admission. NMIMS Deemed-to-be-University has developed an extensive International Students Exchange Program in order to provide a cross cultural exposure and a global perspective to the students apart from classroom teaching. The Exchange Program has become increasingly popular with the students and every year students get a chance to spend Semester/Trimesters at a partner Institute. With the dedicated International Linkages department in place, efforts are underway to have larger number of students to avail of this unique opportunity in every school. Students at NMIMS also benefit from interacting with overseas students who visit us as part of NMIMS Inbound exchange program and International Immersions.

**22.2 PREAMBLE**

In a world that is increasingly interdependent, it is imperative for the NMIMS Deemed-to-be-University to have an internationalization agenda. This involves creation of a multi ethnic environment in our programs on our campus. This can happen only when students from different countries and communities join NMIMS programs.

This policy on internalization seeks to clarify the philosophy behind the NMIMS Deemed-to-be-University's Internationalization program and sets out the eligibility of students to apply for an international exchange program. It also sets out the selection criteria and guidelines for assessing applications and the expectations from the students going for the exchange program.

This policy also lays out the facilities for international students in our programs and also the expectations from them. We expect our foreign students to conduct themselves at par with other Indian students.

**Anil Surendra Modi  
School of Commerce  
(Mumbai Campus)**

### **Message from Dean**

SVKM's NMIMS Anil Surendra Modi School of Commerce (ASMSOC) imparts undergraduate & post graduate management education through its BBA, B.Com. (Hons.), B.Sc. Finance, M.Sc. Finance and MMS programs. The main objective of the school is to impart domain knowledge, and focus on developing competencies so that students can embark on managerial career paths and assume leading role in the corporate world. The course offers high employability for the student community. ASMSOC is engaged in improving and updating the curriculum. Innovative pedagogy helps the students to meet the industry expectations from an entry level graduate.

At the school, our program emphasizes not only on the development of analytical skills but also on in-depth application of concepts, tools and techniques to a wide range of situations faced by managers. The curriculum will help students to gain an integrated perspective across functional areas with the capability of assuming higher responsibility and marked degree of flexibility in interpersonal relationships.

We at ASMSOC bring a unique combination of theory and practice. Students' skills are enhanced through soft skills, live projects, internship and experiential learning. This makes our graduates ready for real world challenges. The education imparted at the school helps the students to become good decision makers with social sensitivity.

The M.Sc. Finance program was launched in 2017 and MMS program has started from 2018. The school will use case based learning method as its chief pedagogical tool to bring to the classroom real world scenarios. This program will help to create high quality middle level managers in functional areas.

We are happy to inform that India Today special issue on Best Colleges in India - June 2019 has ranked our BBA program as the best program in India. University has initiated BBA, B. Sc. Finance and B.Com. (Hons.) Programs at Bengaluru, Navi Mumbai, Indore, Dhule and Hyderabad campus.

Wishing you, all the best, during your tenure at SVKM's NMIMS Anil Surendra Modi School of Commerce.

- Students who obtain marks between 40 and 49.99 would be awarded ‘D’ grade (low pass). Please refer ‘Grading’ scheme given below.
- A student can not have more than 2 ‘D’ grades during an academic year. A student having more than 2 ‘D’ grades will not be promoted to the next academic year of the programme. These ‘D’ grades would be computed after re-examination.

- There is no provision for award of grace marks to any student.

#### Non – fulfilment of Passing Criteria

A student who has failed to fulfil the passing criteria as given above, will be required to appear for semester-end re-examination which will be conducted immediately after declaration of results of the said regular semester-end examination. The internal marks will be carried forward for the re-examination. A student has to submit an online re-examination form. Such students who fail to submit the form will not be allowed to appear for the re-examination. A student who has fail to fulfil the passing criteria of Semester I courses after re-examination, will be allowed to attend the classes and appear at the examination/ re-examination of Semester II (and so on).

Remedial classes would be organized by the School for all the students who fail to fulfil the passing criteria as mentioned above, before the conduct of the re-examination. It is mandatory for such students to attend the remedial classes organized by the School. Student is expected to attend 100% of the remedial classes so held. A student may be denied permission to appear at the re-examination in case it is observed that student concerned did not fulfil the attendance criteria of the remedial classes.

In case, the student fails even in the re-examination, which is so held, he/ she will have an option to seek readmission for the complete semester/ s concerned or only for the subjects in which he/ she has obtained 'F' and/ or 'D' grade. This means;

1. He/ she should take re admission in the semester/ subject concerned in which he/ she has obtained 'F' and/ or 'D' grade. In this case, the student concerned will have to attend the classes in the subject in which he/ she has obtained 'F' and/ or 'D' grade, complete his internal assessments afresh and appear at the semester-end examination. Usual attendance norms need to be fulfilled by the student concerned.
2. Readmission rules as regards fees would be same in such cases.

### Progression to the subsequent year of the programme

A student will be promoted to the subsequent year of the programme only when he/ she has no F grade and/ or not more than 2 D grades in the year after re-examination.

Grading System:

- The University follows a letter grading system leading to the award of a four-point Grade Point Average (GPA) for each term and Cumulative Grade Point Average (CGPA) for all the terms until date.
- 'Letter grades' and corresponding 'grade points' are as under:

Grade	Points	Class interval of marks	
A+	4	100%	85%
A	3.75	84.99%	81%
A-	3.5	80.99%	77%
B+	3.25	76.99%	73%
B	3	72.99%	69%
B-	2.75	68.99%	65%
C+	2.5	64.99%	61%
C	2.25	60.99%	57%
C-	2	56.99%	50%
D	1.5	49.99%	40%
F	0	39%	0

### Calculation of GPA (Grade Point Average):

Grade point Average for a term will be computed by dividing, the sum of product of grade point of each course/subjects and credit value assigned to each respective course by the sum of credits assigned to all the courses / subjects for the related term.

$$\text{GPA} = \frac{\sum CG}{\sum C}$$

### Calculation of CGPA (Cumulative Grade Point Average):

Cumulative Grade Point Average up to and including a term will be computed by dividing the sum of product of grade point of each course / subject and credit value assigned to each respective course by the sum of credits assigned to all the courses / subjects up to and including the related term till date.

$$\text{CGPA} = \frac{\sum CG}{\sum C}$$

Here:

C = Credit value assigned to a course /subject

G = Grade point value assigned to a student for course / subject corresponding to the letter grade (refer table given)

GPA = Grade point Average shall be calculated for individual term and referred to as Semester/ Trimester Grade Point Average.

If a student has failed to fulfil passing standard under any head in any subject (i.e. 'Semester/ trimester End Examination' and/ or 'aggregate'), he/ she shall be deemed to have failed in that subject.

### General Rules

- A student who remains absent from term/ semester examination/s due to any reason in any subject shall be marked as 'AB' in the result/ grade sheet/ transcript for the subject/s in which he/ she has remained absent. All such students will be allowed to appear at re-examination in the said subject. The said reexamination will be conducted immediately after the declaration of the respective term examination. - Modification in criteria/rules: On the recommendation of the Board of Studies of the School of Commerce and the Board of Examinations, the Academic Council shall have the sole discretionary right to modify all or any of the above criteria at any time without prior notice.

These rules would be applicable to all the students who took admission/ re admission in and after the academic year 2019-2020.

### 4. Placement Guidelines for Students of courses where placement is offered:

The Placement process typically involves –

1. Batch Preparation
2. Pre Placement Talks
3. Internships/projects
4. Recruitment Route:
  - a. PPO/PPI
  - b. Final Placements
5. Code of Conduct

#### 1. Batch Preparation:

- The Comprehensive Batch Preparation Program is to enhance the suitability of candidates.

- Prior to the commencement of the selection process it is expected that students should be having a fair idea about their interest, sector and specialisation or at least have some long term vision of where they want to be and should direct their efforts accordingly. Placement should not be considered as a **backup arrangement** as against any competitive exams/admissions abroad. A bit of clarity will help students land a good internship/job.
- Interactive sessions with alumni/industry experts in various profiles that help students to gain clarity on role/fit, understanding expectations of the company, future prospects - career evolution, right approach for cracking interviews, listen to first-hand experience & get a feel of life in a particular profile etc.
- Interaction with seniors who have undergone internships in companies.
- Assigning seniors or alumni as mentors to guide students.
- Mock interviews with alumni/corporates to get a direct feedback from people in relevant industries.
- Guest talks and workshops on various topics from corporates.
- Resume building as per ASMSOC placement guidelines. Students should prepare their resumes in the prescribed University format and submit this to the Placement Office.
- Information on the resume should be accurate and honest viz the complete name of the program, CGPA – as it appears in the transcript, academic and corporate projects as approved by the University, contribution made as a part of various committees and cells etc. Placement Office reserves the right to regulate this activity. Any discrepancy will lead to immediate expulsion of the candidate from the Placement Process.
- Soft skills training etc.
- Hence students should do a thorough research about the company, the business, the sector, other players in the sector, the financials, etc., and be prepared with a background and fact file prior to the process. Also some additional information – the number of interns/recruits in the past, whether the company has a PPO policy, the roles offered, the experience of seniors who interned with the company etc. will be of help.
- The Placement Office also involves companies in a number of Campus Engagement activities – contests, projects, workshops, seminars, and guest talks etc. that would benefit a larger number of students and also help in promoting the excellent quality of the batch.

## ELIGIBILITY CONDITIONS

- Assistance for internship will only be given to students who register with Placement Assistance Office.
- Final year students are eligible to participate in the placement activities if the student meets the requirements/eligibility criteria specified by the Company as well as Placement Assistance Office.
- Students who are interested in placements must participate in all technical and soft skill preparatory classes/sessions.
- Placement Assistance Office doesn't allow the students to go for off- campus drives of the companies which are supposed to come through the Placement Assistance Office.
- Placement Assistance Office doesn't allow the students to pay any amount to any agency/mediator for placements.
- Summer Internship is a prerequisite for them to qualify for Placements in Final Year.

## 2. Pre Placement Talk – PPT

PPT's are a medium wherein the company officials disseminate information regarding the company, the profile, the compensation etc. and clarify the queries of students. The company officials invest time and effort to disseminate info and the interactive session will make them feel visiting our campus worthwhile investment. Hence students are requested to participate and ask relevant questions. It is mandatory to all students who have registered for placements to attend PPT.

### General Guidelines:

- Companies are informed in detail of the various programs. The final call rests with the company regarding the eligibility of programs for the profiles they offer. Subsequently there would be no further negotiations regarding this. The resumes of the students will be sent accordingly.
- The company will specify of the process – GD, PI, Case study etc.
- The selection process will be held in the campus. However, in some cases, the student may have to go to the company's office for the same. A student will not be allowed to back out on any account.
- There may be situations where on spot decisions will have to be taken, the same shall be taken by the PAO under the guidance and instructions of the Placement Officer.
- In case of any disruptions caused in the placement process, the Placement Office reserves right to take disciplinary action (including debarring from placements) against the student(s).

- Students are not allowed to switch internships, whether taken via college or after opting out. Once an internship has been communicated to the college, it is the final internship.
- The student is expected to commit himself to the organization in question and work as per the guidance provided by the company guide.
- If any student fails to attend any selection process, must submit an application regarding the same. If the reason is found valid and if approved by the competent authority the student will be given further chance to appear for other processes.

The process of selection starts with inviting applications based on the eligibility, profile, project, stipend/compensation details shared by the company. The resumes applications of interested applicants are then sent to companies. Shortlisted students are required to complete the entire recruitment process. Students are advised to check their emails/Placement Portal, etc. regularly for information updates and follow the procedure accordingly. Once applied, students will be allowed to back out from 2 PPT. **A third absence will result in debarment of the placement process automatically**

### 4.3 Recruitment Route

Pre Placement Offer (PPO) is an Offer given by the company to the intern acknowledging the excellent work done during the internship.

Pre Placement Interview (PPI) is an opportunity given by the company to the intern to be directly selected for the interview for final placements.

Thus, the students should be careful in applying to the companies of their choice and should put in all efforts to convert the internship into an Offer. Thus, the seriousness of this cannot be overstated.

Final Placements- Companies coming in directly to offer job opportunities. The Final Placement process would be in two phases – July 2018 to November 2018 and January 2018 to May 2018.

**(a) PPO/PPI Guidelines.**

- As a placement policy, NMIMS encourages students to work towards PPOs / PPIs.

- Pre Placement Offers (PPO's)/ Pre Placement Interviews (PPI's) made by the companies are routed through the Placement Office.
  - Students getting PPO/PPI offer directly from companies are required to convey the same to the Placement Cell via a formal letter or a mail to ASMSOCplacements@nmims.edu Students found to be deliberately withholding such PPO/PPI offer, will be subject to disciplinary action.
  - The student has to decide on acceptance within the time frame stipulated by the company. A formal letter of acceptance should be given to the Placement Office.
  - If the candidate accepts the offer made he/she has to sign out of the placements.
  - The acceptance of the offer has to be communicated in writing to the Placement Cell. In case a student fails to inform the Placement Assistance Office before the stipulated date he/she would be considered to have accepted the PPO and this will be final and binding upon the student.
  - For a Pre Placement Interview (PPI), the student must appear for the same. Student refusing a PPI will not be allowed to appear for any further placement process. In case of a conversion to a PPO, the PPO policy would be applicable.
  - PPOs / PPIs which are officially communicated to the Placement Cell by the company will be considered for the records. Only those students would be eligible to mention the same on their resumes. No other student can mention PPO/PPI of his or her own choice.
  - PAO will try to ensure that all companies desiring to make a PPO offer do so at the earliest. However any PPO offer after the student is already placed, Placement Cell will lead to automatic decline of the PPO.
  - In case of declining of PPO, the student will not be allowed to participate in final placements with certain conditions as given below, but at no point of time will be allowed to go back to the PPO:
- Offers made by the companies during the placement process cannot be rejected. Thus, students are expected to make informed decisions about applying to companies.
  - In case the student wants to reject the PPO one should convey so within the time frame stipulated by the Placement Office or by the company. A formal letter justifying the reason should be submitted to the Placement Office for approval by the competent authority He/she will not be allowed to apply/participate in selection processes of the company whose PPO he/she has rejected.
  - Students should be cautious if they intend to decline PPO's citing the reason of unsatisfactory CTC. In such cases the student then cannot appear for companies offering CTC that is less than or equal to the PPO CTC during Final Placements. (Cost to Company includes fixed, max variable, allowances, and incentives could vary as per the profile, work ex, etc. of the applicant. For certain companies, compensations offered can be benchmarked on the basis of past hiring's from NMIMS ASMSOC).
  - Rejection on basis of sector/location/ brand value of the company/work culture/profile mismatch is not applicable & will not be considered as valid reasons for rejection, as it is expected that students have consciously applied for internships to companies based on their interest and their skill sets.
  - Conveying to the company in individual capacity during mid-reviews, final presentation or any other kind of interaction, disinterest in accepting PPI/PPO during the internship is not permitted. We value our relationship with companies and such cases will be dealt with strictly. This will be considered as PPO/PPI rejection and the above rules in this regard will be applicable.

While feedback from the company is sought, the internship is also evaluated by School that could involve faculty guide mentoring the performance; periodic report submissions, evaluations, Viva Voce, etc. The final decision regarding PPO/PPI shall rest with the Placement Officer.

#### (b) Final Placements

The ASMSOC Placement Assistance Office, Mumbai facilitates the process of final placements by creating an interface between the recruiters and the students.

Student must honor the commitment made by ASMSOC on their behalf. In the event of non-conformance to the placement rules and procedures, ASMSOC reserves the right to initiate disciplinary action.

Efforts to market all programs with their merits are made by the Placement office with the endeavor to get companies to recruit from multiple programs. However the final call rests with the company regarding programs and this decision is honored by ASMSOC. The selection process specified by the company will be followed.

The Final Placement process would be in two phases – July 2018 to November 2018 and January 2018 to May 2018.

- NMIMS's ASMSOC follows a '1 student 1 offer' policy. Each student is entitled to only one offer.
- Leading companies across sectors aspire to recruit students of NMIMS. Each company has its own set of characteristics, requirements or qualities that they look for in a candidate. Hence, the company devises the eligibility criteria and selection process accordingly.
- The process of selection starts with inviting applications based on the eligibility, profile, project, stipend/compensation details shared by the company. The resumes applications of interested applicants are then sent to companies. Shortlisted students are required to complete the entire recruitment process. Students are advised to check their emails/Placement Portal, etc. regularly for information updates and follow the procedure accordingly. Once applied, students will be allowed to back out/withdraw from 2 PPT subsequent to showing interest and attending company presentation. A third absence will result in debarment of the placement process automatically.
- Companies would be encouraged to give spot offers. Once a student has been offered a job, he/she would be outside placement process and will not be able to take up any subsequent offers.
- The selection process will generally be held in the campus, however in some cases the student may have to go to the company's office for the same. Students will not be able to back out of the process on this account.
- Every effort will be made to facilitate the placement process. However it is the effort of the student that gets him/her selected for the job. Not getting selected for internships or during final placements in the first few companies should not lead to panic. Students are advised not to switch profiles in anxiety or haste.
- Companies could have one or multiple rounds for selection – case analysis, group discussion, group exercises, interviews etc. Reasons like location, family issues, work timings etc. should not be constraints to students. They are expected to be mobile and have the capability to adjust, adapt and respond to emergent situations successfully.
- Students who wish to drop out of the placement process are expected to formally notify the Placement Office vide the 'Opt Out Form' mentioning the reason, which could be higher studies, entrepreneurship, family business, seeking placements on their own by providing the names of such companies and details. The reason being, to iron out any hitches that may crop up later as the Placement Office approaches many companies and would like to continue the cordial relationship with them.
- Once a student is selected, he is required to ACCEPT the offer after entering the formal selection process and required to take up the offer.
- In case a student fails to attend any selection process, he/she must submit an application regarding the same. If the reason is approved by the competent authority, the student will be given further chance to appear for other processes.
- In rare cases, if a student gets multiple job offers simultaneously (on one day), he or she will have to choose one offer and reject others on the spot.
- Placement information is confidential and any breach of confidentiality will lead to strict action.

#### CHOICE OF OPTING OUT

- A candidate can withdraw from the final placement process if he is keen to seek placement on his own. The student needs to submit the Opted Out Form duly completed with the names of such companies and other details where he is trying for placement. The reason being to iron out hitches that could crop up later. The Placement Cell approaches many companies and would like to continue the cordial relationship with them.
- Thus if one wants to opt out, he should do so before the entire process begins. However, if one has already applied to companies and awaiting further course of action, then the student will have to participate in the selection process if shortlisted and accept the offer if selected. After opting out, the student will not be allowed to reenter the final process at a later stage.
- Students who have opted out, have to follow the guidelines of PPT – Attendance Guidelines and are also in no way exempted from any of the submissions required for effective evaluation including reports, reviews etc.
- There are companies that have a structured internship in place and share the details beforehand while many give a general idea about the project. Students should be aware of the same before applying.

- Reasons like stipend, location, specific details about the project, family issues, etc should not be constraints to students. Students are expected to be mobile, and have the capability to adjust and respond to emergent situations successfully.
- In case the student does not join the company he was selected for, or deliberately creates problems there, he will be liable for disciplinary action including debarment from Final Placements.

#### **ABSENCE**

- Attendance for the PPT is compulsory and absence will lead to disqualification of the student from applying to that company and in case of repeated violations, from the subsequent placement process.
- It is mandatory for a student to apply for a profile, based on the interest accumulated at the time of registrations. Example: Finance or Marketing. If a student fails to apply for 3 companies consecutively (not considering open profiles), it will be presumed that the student is not interested in placements and will be automatically debarred from the Placements Process.
- Student applying through the PAO for participation in a company selection process MUST complete the entire selection process.
- Students withdrawing from a placement process where the resumes have been dispatched to the company will be debarred from any further participation in the placement process of any other recruiter.
- In the event that a student does not attend the process as fixed by the company, he/she will be debarred from further participation in the placement process of any other recruiter. Canvassing in any form will disqualify the students.
- ASMSOC reserves its right to take any disciplinary action, if students do not honor their commitments or resort to unethical behavior. The PAO has the right to communicate with the employer/s if students do not adhere to the code of conduct.

Each of the Schools will be sharing to the batch, guidelines related to Resume, PPT, Internships, PPO's/PPI's, Final Placements, etc. and it is expected that students follow the same. The School reserves the right to change, modify the guidelines in the best interest of the batch. Students are free to approach the Placement Office for any queries or guidance.

#### 5.1.4 Examination Guidelines (ICA / TEE, Passing Criteria, Grading system, method of calculation of CGPA, Re-Examination, Non – fulfilment of Passing Criteria.)

Examination weightages and credits:

Break up for continuous evaluation of each course will be as under:

A student would undergo continuous assessment for each course/subject in all the semesters/ trimesters. Various components of such continuous assessment would be as decided by the respective course/ subject teacher/ faculty and approved by Dean /Director of the school concerned.

Component	Marks
Unit Test / Project/ Assignment/ Presentation/ Weekly Tests / Case Study/ Quizzes / any other (School)	50
Final term/ semester-end examination (University)	50
Total	100

#### Semester-end-exam Passing Criteria for each Course:

- To pass in a particular subject in any of the semester end examination or semester end re-examination, student must secure a minimum of 40% marks of the total maximum marks of that subject, in the semester end examination.
- “F” Grade would be awarded, where marks obtained are less than 40% in aggregate or where the marks obtained in the semester end examination are less than 40% of the total maximum marks of the respective course.
- Students who obtain marks between 40 and 49.99 would be awarded ‘D’ grade (low pass). Please refer ‘Grading’ scheme given below.
- A student can not have more than 2 ‘D’ grades during an academic year. A student having more than 2 ‘D’ grades will not be promoted to the next academic year of the programme. These ‘D’ grades would be computed after re-examination.
- For subjects, which has only Internal Continuous Assessment component, passing will be at 40%.
- There is no provision for award of grace marks to any student.

#### Non – fulfilment of Passing Criteria:

A student who has failed to fulfil the passing criteria as given above, will be required to appear for semester-end re-examination which will be conducted immediately after declaration of results of the said regular semester-end examination. The internal marks will be carried forward for the re-examination. A student has to submit an online re-examination form. Such students who fail to submit the form will not be allowed to appear for the re-examination. A student who has fail to fulfil the passing criteria of Semester I courses after re-examination, will be allowed to attend the classes and appear at the examination/ re-examination of Semester II (and so on).

Remedial classes would be organized by the School for all the students who fail to fulfil the passing criteria as mentioned above, before the conduct of the re-examination. It is mandatory for such students to attend the remedial classes organized by the School. Student is expected to attend 100% of the remedial classes so held. A student may be denied permission to appear at the re-examination in case it is observed that student concerned did not fulfil the attendance criteria of the remedial classes.

In case, the student fails even in the re-examination, which is so held, he/ she will have an option to seek readmission for the complete semester/ s concerned or only for the subjects in which he/ she has obtained ‘F’ and/ or ‘D’ grade. This means;

1. He/ she should take re admission in the semester/ subject concerned in which he/ she has obtained ‘F’ and/ or ‘D’ grade. In this case, the student concerned will have **to attend the classes in the subject in which he/ she has obtained ‘F’ and/ or ‘D’ grade, complete his internal assessments afresh and appear at the semester-end examination.** Usual attendance norms need to be fulfilled by the student concerned.
2. Re admission rules as regards fees would be same in such cases.

### Progression to the subsequent year of the programme

A student will be promoted to the subsequent year of the programme only when he/ she has no F grade and/ or not more than 2 D grades in the year after re-examination.

### Grading System:

- The University follows a letter grading system leading to the award of a four-point Grade Point Average (GPA) for each term and Cumulative Grade Point Average (CGPA) for all the terms until date.
- 'Letter grades' and corresponding 'grade points' are as under:

Grade	Points	Class interval of marks	
A+	4	100%	85%
A	3.75	84.99%	81%
A-	3.5	80.99%	77%
B+	3.25	76.99%	73%
B	3	72.99%	69%
B-	2.75	68.99%	65%
C+	2.5	64.99%	61%
C	2.25	60.99%	57%
C-	2	56.99%	50%
D	1.5	49.99%	40%
F	0	39%	0

### Calculation of GPA (Grade Point Average):

Grade point Average for a term will be computed by dividing, the sum of product of grade point of each course/subjects and credit value assigned to each respective course by the sum of credits assigned to all the courses / subjects for the related term.

$$\text{GPA} = \frac{\sum CG}{\sum C}$$

### Calculation of CGPA (Cumulative Grade Point Average):

Cumulative Grade Point Average up to and including a term will be computed by dividing the sum of product of grade point of each course / subject and credit value assigned to each respective course by the sum of credits assigned to all the courses / subjects up to and including the related term till date.

$$\text{CGPA} = \frac{\sum CG}{\sum C}$$

Here:

C = Credit value assigned to a course /subject

G = Grade point value assigned to a student for course / subject corresponding to the letter grade (refer table given)

GPA = Grade point Average shall be calculated for individual term and referred to as Semester/ Trimester Grade Point Average.

If a student has failed to fulfil passing standard under any head in any subject (i.e. 'Semester/ trimester End Examination' and/ or 'aggregate'), he/ she shall be deemed to have failed in that subject.

**General rules:**

- A student who remains absent from term/ semester examination/s due to any reason in any subject shall be marked as 'AB' in the result/ grade sheet/ transcript for the subject/s in which he/ she has remained absent. All such students will be allowed to appear at re-examination in the said subject. The said reexamination will be conducted immediately after the declaration of the respective term examination. A student who remains absent in the re-examination would not be able to avail any further re examination chance.
- In order to receive the degree, the student will have to pass in all the examinations of all the years
- Grievance Redressal: In case a student is not satisfied with the result/ grade received by him in a particular subject, he/ she may follow the 'Grievance Redressal Procedure' in case he/ she desires.
- The fees for re-examinations and re-admission will be decided by the University from time to time.
- In case of any disputes/differences, decision of the University shall be final and binding on the students. If a student desires to institute any legal proceedings against the University, such legal proceedings shall be instituted only in court at Mumbai in whose jurisdiction the application is submitted by the student and not in any other court.
- Modification in criteria/rules: On the recommendation of the Board of Studies of the School of Commerce and the Board of Examinations, the Academic Council shall have the sole discretionary right to modify all or any of the above criteria at any time without prior notice.

**These rules would be applicable to all the students who took admission/ re admission in and after the academic year 2018-2019.**
